

Verbal High-Range I.Q. Test
(C) 2015 Nikolaos U. Soulios

1 Essentials

Each item requires one answer. The connections are stronger within a certain context and knowledge is required on the domain of the clues to a specific extent, for both types of questions. You may use any kind of reference material you see fit, but please work alone. Explanations are welcome and can be helpful in scoring your submission. The items are not arranged by level of difficulty.
